## NEWS ON THE OLYMPIC TRAP HOME INTERNATIONAL:

### TEAM RESULTS:

- 1<sup>ST</sup> ENGLAND
- 2<sup>ND</sup> WALES
- 3<sup>RD</sup> SCOTLAND
- 4<sup>TH</sup> N/IRELAND
- 5<sup>th</sup> IRELAND

This year Wales had the honour of hosting the OT Home International. It took place at Griffin–Lloyd Shooting Ground on the 26<sup>th</sup>/27<sup>th</sup> August 2011. The weather conditions were changeable with sunny intervals and showers making the light variable and the targets testing for the home nation teams (England, Ireland, Northern Ireland, Scotland and Wales)

Each competitor shot 75 targets each day over two days. After day one Scott Morgan (Wales) was leading the event having shot 73 ex 75. James Sole (England) was three targets behind him on 70.

On the second day Scott again shot well however, a determined James had filled the gap with both Scott and James equal on 142 ex 150.

An exciting sudden death single barrel shoot off would determine the High Gun of the Match.

Competitors gathered around to watch the shoot off. It was the fourth target that determined the High Gun of the match. James nailing his leaving the pressure building on Scott to secure his target which was sadly missed. Hats off to Scott on his outstanding performance over the 2 days.

The Welsh Senior Team shot very well and maintained their 2<sup>nd</sup> position after Day 1 to take second place in the competition.

**Senior Team:** Scott Morgan, Mike Wixey, Norman Owen (NC), Graham Evans (NC), Jonathan Davies, Neil Jones, Phil Dando, Nick Lyons and Sarah Wixey (NC).

Good performances were also put in by Cheryl Gizzi (Lady), George Seabourne (NC) (Junior) and Roland Hill (Veteran).

The competition was rounded off nicely with all the teams coming together on Saturday evening to attend the Banquet at the Burton Hotel in Kington. After the three course meal Del Davies undertook the presentation of awards to competitors.

We look forward to next year's Olympic Trap Home International which will be staged at Carnview, Northern Ireland.
